Traditional Pow wow 2014
Worth Road
Standish Michigan 48658

The Pow Wow committee would like to note our mission to further the welfare of Native people. While venue's exist for the non-Indian trader to sell goods, we wish to ensure a place for native traders. The Pow-Wow Committee reserves the right to deny any trader application based on the type of goods and the quality of the goods sold. We reserve the right to limit the number of traders. Furthermore, we reserve the right to adhere to Public Law 101-44: The Indian Arts and Crafts Act of 1990, which prevents the sale of counterfeit Indian arts and crafts, especially unmarked imported goods and initiations. Consequently, in publicizing and registering for the Pow-Wow, the committee will inform prospective traders of the policy.
