

## Elder Parking Permit Application

To receive your 2017-2019 permit, please complete the application and mail it in to any of the Elder Program offices listed. **Please be sure to include a copy of your vehicle registration.** Elders can also visit any of the Program offices to receive their permit in-person.

Elders are encouraged to obtain a new permit as soon as possible; using an expired permit or a permit that was issued to another vehicle can result in further action being taken by security. Security has requested that all new permits be placed in the front window on the driver's side.
