FEATURING ...

DEER WOMAN: AN ANTHOLOGY brings together more than a dozen Native and Indigenous women artists and illustrators to present stories of resistance, survival, empowerment and hope. Drawing from the inspiration of traditional Deer Woman stories, it is a powerful collection of stories by Native women to bring determination and healing to those in need and those willing to listen with their hearts. The anthology features a hauntingly beautiful MMIW piece by author/illustrator Weshoyot Alivtre.

ALSO FEATURING ...

Through the works of North American Indigenous writers and illustrators, **Sovereign Traces, Volume 2: Relational Constellation** by author/editor Elizabeth LaPensée, provides a unique opportunity for audiences to hear from a myriad of American Indian and First Nations voices on the meaning of love. Here readers will find works of graphic literature, including both poetry and fiction, that explore how celestial bodies build and share creative intimacies.
