

Fitness Resolutions

How does Fitness Resolutions work?

The purpose of this program is to encourage you to set a goal that you can maintain during a 4 week period. We have given you 3 categories to choose from according to your fitness level and desires. The following are the categories to choose from and are based on the amount of exercise per week:

- ◆ **Good Start** - Between 60 and 179 minutes per week.
- ◆ **Fitness Maniac** - Between 180 and 299 minutes per week.
- ◆ **Over Achiever** - Over 300 minutes per week.

(105 Minutes Max Per Day)

Bonus Opportunities!

You will have opportunities each week to earn bonus minutes by completing one of the listed exercises. Each activity is worth 20 minutes. Completing one each week will allow you to gain extra minutes while encouraging you to try a few different fitness options. See the inside log sheet for the 8 activities that you can choose from and for further rules.

How do you win?

You must achieve your goal 3 out of 4 weeks to be placed in a drawing to win a Fitness Resolution prize. Prizes include:
