CARDINAL PHARMACY

WHY USE CARDINAL PHARMACY?

PRESCRIPTION SAVINGS PLAN

The Saginaw Chippewa Indian Tribe prescription insurance plan offers you or your family a significant co-pay savings when you get your prescription filled at Cardinal Pharmacy.

Along with co-pay savings at Cardinal Pharmacy you can also benefit by receiving 90 day supplies, when your doctor orders your medicine in a 3-month supply.

	Cardinal Pharmacy	Other Retail Pharmacies	Savings Per Year (by using Cardinal Pharmacy)
30-Day Supply			
Tier 1 – Generic	\$0	\$15	\$180.00
Tier 2 – Brand	\$20	\$30	\$120.00
Tier 3 – Brand	\$40	\$60	\$240.00
90-Day Supply			
Tier 1 – Generic	\$0	Not Available	\$180.00
Tier 2 – Brand	\$40	Not Available	\$120 + \$ 80 = \$200.00
Tier 3 – Brand	\$80	Not Available	\$240 + \$160 = \$400.00

When you get a 90-day supply of brand names drugs in Tier 2 and Tier 3, you pay for 2 months and get 1 month free, for an even more savings.

Example:

John takes two medicines, a Tier 1 generic blood pressure medicine and also a Tier 3 brand name medicine for diabetes. John saved \$580.00 per year after changing his prescriptions from Walgreens (or other retail pharmacy) to Cardinal Pharmacy.

MAIL ORDER

Cost savings on your prescription co-pay still applies. Cardinal Pharmacy can set you up to have your maintenance prescriptions mailed to you for a \$5.00 shipping and handling charge. Co-pay and shipping charges need to be paid up front before packages are mailed.

Mail delivery service available **ONLY** in the state of Michigan. Temperature sensitive medications will **NOT** be mailed. Contact our pharmacy with any questions or to receive full details.

PERSONALIZED CARE

Cardinal Pharmacists are available to answer questions or address concerns about medications for you and your family.

We offer many National Brands of over-the-counter medicines. Our store also carries the Leader generic brand.

- Leader products give you the option to go with the more expensive national brand or to purchase the same quality product at a reduced cost.
- Leader products contain the same ingredients as their national brand counterparts but at a cost savings.
- Leader products are subject to all the same quality testing that national brands are held to.

FLAVORx – The taste of medicine should never come between your child and his or her good health. Cardinal Pharmacy offers FLAVORx. FLAVORx is a special bitterness suppression sweetening enhancer and a blend of natural and artificial flavors to help mask unpleasant taste that discourages your child from taking medicine. Ask at the Pharmacy which flavors will work with your medicine.

YELLOW JUG – Cardinal Pharmacy partners with Great Lakes Clean Water Organization by joining the Yellow Jug Old Drug Program. This is a program for you to bring in your unused/unwanted/expired medication to our pharmacy for proper disposal, keeping Michigan's water supply free from contamination. Contact us with any questions or to find out what items are accepted.

GIFT ITEMS - Cardinal Pharmacy also carries many gift items including: balloons, greeting cards, Davinci beads, Yankee candles, kites, scented lotions, picture frames, jewelry, SCIT logo items, stuffed animals, household dollar items and baby items.

Hours of Operation:

Monday - Friday
