

Gathering of Native Americans

for Native Youth ages 14-24 years

Aug. 8 & 9, 2017

8 a.m. - 5 p.m. | 7th Generation

7957 E. Remus Rd., Mt. Pleasant, MI 48858

We need you to help create a healthy community!

Involvement of the youth is essential to all aspects of a community planning process.

We are seeking youth input in the development and implementation of a culture-based intervention (CBI) to identify and address intergenerational healing in response to grief and loss issues that have occurred throughout the years.

This gathering will guide the Tribe's planning and implementation efforts in addressing the issues of preventing mental and substance use disorders and suicide.

Please attend the GONA – we need you there!

Lunch, snacks and gift card drawings will be provided throughout both days of the event.
