Result Discrepancies

- If there is a discrepancy on an event result, it will be handled first by the MIFO head coordinator.

For track events, please note: There is a good chance there is more than one heat in your age group.

When did the Family Olympics start?
They began in 1987.

Who started it? Sue Siller, former health educator for the Saginaw Chippewa Indian Tribe of Michigan. She was assisted and supported by the Parks and Recreation Committee, which volunteered their time and resources to the community.

Why was it started? It was started to promote health and wellness through a family fun day of physical activity with mainly track and field events, along with swimming events, for Saginaw Chippewa Indian Tribal Members and their families. This expanded to include other tribes and tribal organizations throughout Michigan.

2020 MIFO was canceled for the first time in 33 years due to the COVID-19 Pandemic.

2021 MIFO was our first remote competition, where the Gun Lake Tribe were the champions.

- **1st Place (Gold) = 5 Points**
- **2nd Place (Silver) = 3 Points**
- **3rd Place (Bronze) = 1 Points**

**Team Trophies:** There will be three team trophies awarded to the top three scores. In event of a tie, it will come down to who had the most individual gold medals.

**Individual Event Ties:** Medals and team points will be awarded when there are ties in the individual event scores.

Kids Fitness Circuit

- **Ages:** The event is open to ages 7-15 years old.
- **Jump Rope Standard:** Reps are counted by one full revolution of the jump rope. The jump rope can be started from the front or back of the participant.
- **Push-ups Standard:** The child will start on knees in a “modified” position. Elbows must be bent down to 90 degrees and chest must compress the pump provided for the event to count as a rep.
- **Sit-ups Standard:** The child must start with shoulder blades on the mat and end with elbows hitting any part of the thigh to count as a rep. An event staff member will hold feet while performing this movement.
- **Results:** The reps for each station will be added together for a final point total and will determine the results.

Kids Obstacle Course

- **Event Standards:** The participant must complete each obstacle correctly as listed on the example sheet provided at event check-in (Parent assistance recommended.)
- **Ages:** This event is open to ages 5-12 years old.
- **Performing Station Incorrectly:** If a station is done incorrectly, then 1 second will be added to their final time.
- **Figuring Final Time for Results:** The least amount of time after the incorrect stations are added, will determine the top placers in the event.
- **Setup:** The setup of this event may vary from year to year.

- **Recording of Times:** Times will be recorded to the 100th of the second.
- **Post Natal Walk:** This entails all mothers who are within the first year of their babies birth date.
