

Celebration of Healing, Recovery & Hope

Logo design by Kevin Chamberlain

Sept. 24, 2014

6-9 p.m. | Eagle's Nest Tribal Gym

Come and share in this time of healing and restoration. We will be having an open discussion on the impact drugs and alcohol have had on our families and community. We will also have a "Warrior Ceremony," calling all warriors to fight the war on drugs. A meal will be provided. Please save the date and join us in this memorable event. A meal will be served, with the main entrée provided and a special drawing for anyone who brings a side dish to pass.

Also sponsored by:

- Nimkee Public Health
- Saginaw Chippewa Tribal Court Healing to Wellness Program
