Join your Tribal Libraries and Seventh Generation for a feast with visiting honored guests Josephine Mandamin and Joanne Robertson.

Robertson wrote the picture book "The Water Walker," the story of Josephine Mandamin and her great love for Nibi. She walks to raise awareness of our need to protect Nibi for future generations and for all life on the planet.

Hardcover copies of The Water Walker will be provided for attendees (while supplies last) to add to your home libraries. Check out the book in advance at your Tribal Libraries.
