Presenter: Leslie F. King, President/Founder of Sacred Beginnings

Leslie F. King is a survivor of human trafficking /sexual exploitation. She was coerced and forced into the lifestyle of prostitution at the tender age of 15 in Grand Rapids, MI, and she became trapped in the underworld of prostitution and drug addiction for over 20 years. On July 4, 2000 Leslie miraculously found the strength and the courage to get free.

For the past 18 years she has been intense and intentional about working with women and teenage girls who find themselves trapped in

the same horrors and loss of purpose that she experienced. In 2005, Leslie utilized her experience, expertise, and inspiring example of a renewed lifestyle to open Sacred Beginnings, which is a safe haven that offers hope and healing to sexually exploited women. Leslie consults with law enforcement agencies, human service professionals, clergy, and others requesting direction and understanding in working with prostituted women, teenagers, and children.
