## BULLYING NO TOLERANCE POLICY

Bullying of any kind will not be tolerated in our facility. If a bullying incident occurs, Legal Guardians of all parties involved will be called so that it is quickly resolved. The guilty perpetrator will be dismissed from the program. Counseling would be suggested to all involved.

Definition of Bullying is the use of force or coercion to abuse or intimidate others. The behavior can be habitual and involve an imbalance of social or physical power. It can include verbal harassment or threat, physical assault or coercion and may be directed repeatedly towards particular victims, perhaps on grounds of class, race, religion, gender, sexuality, appearance, behavior, or ability. If bullying is done by a group, it is called mobbing. The victim of bullying is sometimes referred to as a "target".

Bullying can be defined in many different ways. Bullying consists of four basic types of abuse – emotional (sometimes called relational), verbal, physical, and cyber. It typically involves subtle methods of coercion such as intimidation.

Bullying ranges from simple one-on-one bullying to more complex bullying in which the bully may have one or more "lieutenants" who may seem to be willing to assist the primary bully in his or her bullying activities. Bullying in school and the workplace is also referred to as peer abuse.

A bullying culture can develop in any context in which human beings interact with each other. This includes school, family, the workplace, home, and neighborhoods.

## ALCOHOL/DRUGS POLICY

This is an alcohol and drug free facility. If anyone is caught with alcohol or drugs, the Tribal Police will be notified immediately, followed by a phone call to a Legal Guardian. This will result in an immediate dismissal from the afterschool program.
