

Ziibiwing Center ORCHARD *Planting*

**Calling all community members,
families, adults and teens!**

Sunday, May 14, 2023

- ▶ We will need minimum of 10 volunteers who can stay most of day.
- ▶ Or 20 volunteers who can stay a shorter time.
- ▶ Walk-in help welcome

To volunteer or help, please contact:

- **Anita Heard:** 989-775-4733 or AHeard@sagchip.org
- **Noelle Wells:** 989-775-4750 or NWells@sagchip.org

Ziibiwing Center will be planting a small orchard of 20 trees to promote food sovereignty, to enhance our wildlife environment and to provide snacks on trees for everyone! This small orchard will be right next to our walking path to Andahwod and our ZC bus parking area so folks can gather food easily as the trees mature.

We would like our volunteers to know to dress for the weather and the work at hand. It will be helpful to bring gloves & spade shovels. We will be planting trees, installing fencing, drip irrigation and mulching for 20 trees.
