The Sasiwaans Immersion School – Anishinaabe Language Revitalization Department (ALRD) is a unique learning environment for toddlers between the ages of 24 – 60 months. It was created because the original language spoken by the Saginaw Chippewa Indian Tribe is at a critical state of loss. It was created in an effort to ensure that the sacred language of the Saginaw Chippewa Indian Tribe would be learned and maintained for the generations who will follow us.

When you enroll your child in Sasiwaans you are making a conscious choice and commitment to learn the language along with your child. There are several opportunities for parental language learning. Outreach classes are open to the general public as well. Extended families are encouraged to join parents in language learning. This will help increase fluency in your child and build Fluent Anishinaabemowin speakers.

The students who enroll in this program will be immersed in a safe, nurturing, and inspiring environment where all their instruction will be provided to them in Anishinaabemowin.

PARENT/GUARDIANS OF THE STUDENTS AGREE TO THE FOLLOWING IMPORTANT COMMITMENT:

I, the undersigned, parent or legal guardian of the student identified above, hereby give my promise as follows...

- To make a commitment to begin to learn Anishinaabemowin to help my child become a bilingual speaker.
- To review language information provided by my child's teachers so that I may learn and reinforce daily phrases.
- To participate in Anishinaabemowin Outreach Classes, Language visits and/or Language activities throughout the summer.
- To reinforce the use of Anishinaabemowin with my child in my home and community.

By making this Language Promise, you are embarking on an important journey with your child. After years of this critical state of loss, your child will become a part of the first generation of speakers, needed to create first language speakers of Anishinaabemowin in the SCIT community once again. We commend you and your commitment to the survival of our beautiful Anishinaabemowin.
