

The Clothesline Project

For Domestic Violence Awareness Month in October

The Clothesline Project originated in Massachusetts in 1990 to address the issue of violence against women. The Clothesline is made up of T-shirts created by survivors or in honor of someone who has experienced incest, domestic violence or sexual assault. It is a vehicle for those affected to express their emotions and promote awareness.

- ▶ The Clothesline will be displayed throughout the month of October.
- ▶ Shirts and materials to decorate are available to the community free of charge.
- ▶ Please contact Behavioral Health Programs at 989-775-4850 to arrange to pick up your t-shirt and materials.
