

COOLING STATION AVAILABLE

Wednesday, June 15, 2022

As we prepare for near record high temperatures tomorrow, we have worked with the Recreation team to offer a cooling station at the Tribal Gym (7070 E. Broadway) for anyone seeking relief from the heat. Staff will be on-site Wednesday, June 15th from 8 am until 5 pm and will have water available for those in need.

Also, please be sure to check on your elders and neighbors to ensure they are keeping safe from the heat.
