Following CDC & Tribal guidelines, we have implemented the following practices for the sale that is starting next week:

- Temperature checks will be performed before you enter the building
- Masks are required for everyone over the age of 2, NO EXCEPTIONS
- With the limitation of people allowed in the buildings and mask requirements, it may be advisable to leave children at home
- Hand sanitizing stations will be available
- The building on the right will limit customers to 46 at a time
- The building on the left will limit customers to 36 at a time
- There are no public restrooms
- We ask that you maintain 6 feet for social distancing at all times
- Each building has merchandise for sale with separate entrance and checkout lines
- You are required to place items purchased from 1 building into your car before entering the other building
- There will be floor markers pointing to the entrances/exits and marking the one-way flow down aisles
