Public Service Announcement

September 20, 2021

Beginning September 22, 2021 work will begin on refurbishing of the “Farmer’s Market Pavilion”. This work has been commissioned by the Housing department.

Contractors will be power washing to remove bird droppings, installing bird netting in the rafters, treating the mold on all the wood, sanding the wood and painting with a mold resistant finish. This work will continue each day until it is complete. Contractor equipment will remain on sight until all work is completed. The space will become available once again on Tuesday September 28, 2021 in time for the next “Farmer’s Market”.

Thank you for your understanding and patience as we begin this much needed maintenance to the pavilion.
