

**Grandmother Moon Ceremony and Waywaybinigay  
Bundle Ceremony Friday, April 3rd  
Behavioral Health  
2800 South Shepherd Road**

Making our bundles is a way of acting out our promise for the future that we will ensure the “Truth,” of life flows into the future, unencumbered by the non-life giving habits, traumas, and sickness that we pick up as we walk through life.

We release ourselves of the burdens we have carried through the year by casting our tobacco bundles into the ever flowing waters.

4-7pm Waywaybinigay Bundle teaching in the Behavioral Health Large Conference Room. Come during that time to put your bundle together. You will need blue and green cloth.

8pm Grandmother Moon Ceremony and the Casting away ceremony will begin. We will drive to this location from Behavioral Health.

All women and men are invited to participate.  
FMI and if you have any questions please call.
