Mt. Pleasant Citizens Climate Lobby | We are educating ourselves, our community, and our members of Congress to solve the global climate crisis.

Peter Sinclair | A long time advocate of environmental awareness and energy alternatives. An award winning graphic artist, illustrator, and animator, Mr. Sinclair runs Greenman Studio from his home in Midland, MI. Mr. Sinclair's syndicated cartoons have appeared worldwide, and his work has been profiled in numerous publications, including the New York Times. He is the producer of the YouTube series, "Climate Denial Crock of the Week".

Lee Sprague | A long-time advocate of environmental justice issues. Served as Ogema or Leader and Tribal Council member of the Little River Band of Ottawa Indians. As an elected Tribal Leader, Sprague represented his nation's interests on national and regional environmental policy issues, including the Great Lakes Collaboration and the National Congress of American Indians on Mercury contamination from air toxics.

Bunky Echo-Hawk | Merges traditional values with his lifestyle and art, has exhibitions of his work throughout the US and internationally. Poet, play writer, advocate and educator, Bunky has performed live art at numerous major venues throughout the US. He speaks at conferences, conducts workshops and teaches both art and writing.
