for Middle and High School students. Conference times are from 5pm-8pm. Marta and Katy will be in the NA Office if you would like to stop in.

It is that time of year again for students to begin the process of selecting courses for the 2018-2019 school year. If your child is interested in dual enrollment AND/OR Career Technical Education classes it is imperative that you listen to the entire message. At Shepherd High School, we are streamlining and simplifying our scheduling processes for our students. The counseling department is currently meeting with students to select their classes for the next school year.

An informational email from the counseling department was sent to all students. Please take the time to read all of the emails that have been sent to your son or daughter and go through the process of filling out all of the required electronic forms. We have created an online method for students to complete this process. STUDENTS MUST USE THEIR SHEPHERD BLUE JAYS LOGIN TO ACCESS THESE FORMS. This process alleviates the burden of parents having to attend an evening informational meeting.

Students need to complete these forms by January 31, 2018. If you need any additional assistance, please plan to attend our Parent Teacher Conferences on January 24th from 5 to 8pm. The high school counselors will be available from 5 to 7 p.m.

All of this information can be found at our counseling webpage at www.onwardshepherd.weebly.com.
