Lunar Disk Viewing and Space Rock Sherlock

Wednesday, July 10

4 p.m. | Housing Conference Room

**View Lunar Disks which hold samples of rocks
from the moon!**

**Then, become a NASA detective as you use real
scientific instruments to solve a space rock mystery!**

- We need your help finding the genuine space rocks amongst a collection of rocks and fossils
- Designed for elementary school kids, but all ages are welcome

This program is presented by the Saginaw Chippewa Tribal Libraries in partnership with the Chippewa River District Library System and NASA @ My Library
