On behalf of the Saginaw Chippewa Indian Tribal Council, I would like to extend our sincere appreciation for you taking the time to meet with us and discuss your organization and the impacts you have had thus far on our Tribal community. Tribal Council is committed to ensure we are providing safe, effective and impactful opportunities and events that build stronger community involvement and interaction.

Although the Tribe has no formal affiliation with your organization, nor is it sanctioned by the Tribal Leadership, we have taken notice of the good work and impactful interaction you have had with the entire community. We would like to commend you for your work with raising \$3000.00 for ACFS's Star Tree program, providing equipment for the Eagle's Nest Boxing program and your assistance in bringing greater awareness to the Red Dress program and the plight of "Missing & Murdered Indigenous Women & Girls". You should be applauded for your positive work and commitment to the goals and creed of your organization. It truly makes a positive and meaningful impact on our entire Tribal community.

Miigwetch to each and every one of your members for your work and commitment. Please know your efforts are not without appreciation and meaningful regard.

Sincerely,
