

Traditional Healer PROTOCOLS

What does a Traditional Healer do?

- ▶ Teachings
- ▶ Spiritual Guidance
- ▶ Traditional Healing
- ▶ Anishinaabe Names
- ▶ Colours
- ▶ Clans
- ▶ And more...

Culture is Prevention

Protocols

- **Bring an unopened pouch of tobacco.**
Behavioral Health has tobacco resources available to bring to your appointment.
- **Anyone seeking Traditional Healer services are asked to abstain from drugs/alcohol for four days prior to visit.**
- **Women on their “moontime” (monthly cycle) cannot be seen.** *However, women can be seen two days after their moon time ends.*

Additional COVID-19 protocols

- Please use precaution and wear a face mask when meeting with your Traditional Healer.
- If you are feeling sick/ill or if you have tested positive or been exposed to someone COVID positive, please follow the most current CDC guidelines.
- We ask that anyone experiencing symptoms of COVID-19 please reschedule your appointment.
