**FROM:** Frank Cloutier, Public Relations Director 

**DATE:** March 16, 2020

**SUBJECT:** SCIT Governmental Update

The Saginaw Chippewa Indian Tribe (SCIT) takes the health of all Tribal Members and employees seriously. Council is currently monitoring the pandemic coronavirus (COVID-19) outbreak and taking steps to ensure that the necessary precautions are in place to keep our members and staff both safe. Please rest assured that we will continue to work towards providing the services you rely on. All tribal community events and activities scheduled for the month of March 2020 have been canceled.

Our departmental leadership has developed plans outlining service changes for each of our departments that will be in effect until further notice to keep everyone safe. Our current plans, as of today, March 16, 2020 reflect telecommuting strategies whenever possible and limited service in person, most by appointment. Our attempt is to continue services as a priority but focusing on executing those services by telephone rather than in person visits.

Please contact departments directly for service inquiries and attached is a contact information sheet for you convenience. We and Tribal Council will continue monitoring request to make any necessary adjustments in the near future.

For the most recent information about the virus and how you can protect yourself and your family, please visit the Centers for Disease Control's website at: <http://www.cdc.gov>.
