Phone Number: 989-775-4690 Web: www.sagchip.org/fitness/index.htm

Feature Article: 8 Ways to Add More Movement Throughout Your Day by ACE Fitness.

Regular physical activity plays an important role in maintaining a healthy body weight and promoting good health. The more we move, the more muscles we use and the more calories we burn. Conversely, sitting creates a series of negative health outcomes and, if we are sedentary for an extended period of time, it could affect our health.
