

Mission Statement: *Promoting a healthy and positive lifestyle thru Perseverance, Endurance, Team Building, and Proper Eating, creating a successful athlete and future Leader.*

On November 18, 2009 Tribal Council approved a new Athletic Program to be run under the At Large Program with the name of “**Saginaw Chippewa Anishinabek Athletes**”. This program will be self funding and be for all Tribal member youth (*all districts*), Tribal descendent/first generation (*all districts*), and tribal member youth that reside on the reservation.

The Program will Reimburse \$50.00 towards a Varsity Jacket (*varsity letter recipients*) or towards an athletic fee required to play a sport (*not equipment*). The program will also hold sports clinics bi monthly on Saturdays, in a location to be determined . A sports recognition banquet will be held in May or June.

To raise money we are asking for **Donations**. We will also be selling spectator equipment to raise money. Thanks to a motion approved by council we are a non profit program and all donations can be claimed on your taxes.

Our goal is to raise \$5000.00. The program officially kicks off on January 1, 2010 at which time we will start excepting grant applications.

Please help us support our youth in their athletic endeavors by showing your support.

Thank You
