In the matter of missing four year old, Carnel Chamberlain, the Saginaw Chippewa Tribal Police believe his disappearance is suspicious. The Tribal Police are now focusing investigative efforts on the boyfriend of the child's mother. The mother has been fully cooperative in this developing investigation. The boyfriend, however, has not fully cooperated with the investigation, thus far.

The Saginaw Chippewa Tribal Police would like to thank each and every person who assisted with the search efforts to find Carnel on June 21 and 22. Future search efforts will be coordinated through the Saginaw Chippewa Tribal Police along with assistance from the Saginaw Chippewa Tribal Fire Department and volunteers.

If members of the community choose to continue searching on their own, please contact the Tribal Police should anyone come across items that are suspicious in nature at (989) 775-4700 or the Tip Line (989) 775-4775. The Saginaw Chippewa Police along with the FBI are continuing the investigation.
