INVENTORY

DEFINITIONS AND INSTRUCTIONS FOR COMPLETING THE INVENTORY:

- * **Real property** means land including a building or house that is built on the land.

 - * **Personal property** means everything that a person owns except real property. Personal property includes bank accounts and checking accounts.
1. When listing real property, provide the legal description of the property and the name of any other owner.

 2. When listing personal property, provide enough detail to adequately determine the value. Some things should be listed separately and some things should be combined under one category.

Examples of things that should be listed and valued separately are:

- * Automobiles
- * Jewelry
- * Bank accounts
- * Antiques
- * Furniture
- * Any other individual item of high value (such as a fur coat)

Examples of things that can be listed in categories are:

- * Household items such as dishes, flatware, curtains, linens, utensils, clothing, furnishings, etc. can be grouped into several categories or combined into one category.
- * Multiple copies or pieces of a specific item that have the same value such as stocks and bonds.
