ANISHINABE PERFORMANCE CIRCLE - SIGN UP NOW THRU SEPTEMBER 5, 2017

The mission of the Anishinabe Performance Circle is to promote and enhance positive self-images through the use of traditional Anishinabe arts (storytelling, dance, music and language), and to prepare our youth as leaders in a multicultural society by helping them to learn our culture and share it with others.

Recently there has been an addition to the program that provides these services to the adult community, as well. This revision has been accepted with enthusiasm and adds further cultural enrichment and enjoyment to both the tribal family and the tribal community.

There are two 12-week programs held annually that culminate in certification of the dancers who successfully complete the session. Dance instruction and cultural teachings are provided to the students while assistance in creating regalia is also offered to the students or the parents and guardians of the youth students.

An entertaining graduation performance is held at the end of each 12-week session. Students are encouraged to bring their families and friends as they show their accomplishments and share their culture. The graduation ceremony also includes a reception that follows the ceremony that provides a time of fun, food and photo opportunities. The graduation and reception are free & open to the public.

Recent items that have been a part of the graduation performance include the Shield Dance and the youth performance, in the Anishinabemowin language, of "Twinkle, Twinkle Little Star" (available on You Tube - Performance Circle Twinkle Twinkle) and the "Itsy Bitsy Spider."
