ELVIS !

Elvis Aaron Presley was born in a two-room house in Tupelo, Mississippi on January 8, 1935. He grew up as an only child after his twin brother was stillborn. He and his parents, Vernon Elvis and Gladys Presley, moved to Memphis, Tennessee in 1948. There, Elvis began his iconic music career, which included 14 Grammy nominations, 3 wins, a Grammy Lifetime Achievement Award, received at the age of 36, 18 no.1 singles, countless gold and platinum albums and an induction into the Rock and Roll Hall of Fame plus the Country Music and the Gospel Music Halls of Fame. In 1957, at the age of 22, he bought the famous Graceland mansion in Memphis and called that his home for the rest of his life.

Despite his humble beginnings and his short life of only 42 years, he became known world wide with hits such as **Jailhouse Rock, Hound Dog, Heartbreak Hotel, Blue Suede Shoes, Are You Lonesome Tonight, Love Me Tender** and many, many, many more. He is still today immediately recognized as an original super star at the mention of his name, Elvis - the King of Rock & Roll.

Known for his immense fame and universally appreciated good looks and talent, he was also well known for his humility, sense of humor, kindness, strong faith and his love for his mother, who was a descendant of the Cherokee Nation. He served in the U.S. Army and was honorably discharged in 1960. On August 16, 1977, he died at Graceland and is buried there. Graceland is now a museum that is open to the public.

INDIAN ELVIS - JOSEPH HALL

Joseph Hall is thrilled to be bringing his award-winning **Elvis Rock N Remember** tribute show to a venue near you. His show is directed in such a manner that really shows the roots of Elvis' musical career, it will make it difficult for you to stay in your seat.

He's got the look, the voice, the charm and the moves that take us back to a time when parents were flabbergasted by the flauntingly provocative hip action. In Hall's **Elvis Rock N Remember** show he achieves a powerful flashback experience to the moment when fans fell in love with the high-spirited young man that was Elvis Presley. His show will take you thru a journey of Elvis' hits from rock n roll, to country, pop, rhythm & blues and gospel.

Joseph Hall, born in 1984, has been paying tribute to the legacy of Elvis Presley since 2006. He starred on NBC's **America's Got Talent** in 2008, making 6 TV appearances viewed by more than 90 million people and placing as one of the top 10 finalists! Sharon Osbourne commented, "I've got shoes older than you, but I'd like to try you on!" Also, Piers Morgan was quoted as saying, **"ELVIS IS BACK!"**

Hall has performed all over the world from Las Vegas, Nevada to Porthcawl, Wales. He has won accolades including the "Spirit of Elvis " award which was presented to him by Elvis Presley's road manager, Charles Stone. Joseph Hall has worked with Elvis Presley Enterprises, Legends in Concert, and has officially been recognized as one of the top tribute artists in the world today. Hall says "My goal is simply to capture the essence of Elvis Presley, to pay tribute, with the upmost respect, to his legacy, his music, his image and above all else his fans."
