September 2016

Monarch Butterfly Celebration 2016 was held Saturday, September 17 at Ziibiwing. Butterfly teachings were offered by Dayna Johansen followed by a delightful demonstration of the Butterfly dance. Information was shared about the Monarch and its struggle for survival. Sadly, there were no Monarchs to release this year.

Information was also available about **Michigan 4-H**, a program of MSU Extension for youth ages 5-19. They offer a wide variety of programs from various Animal, Plant and Environmental Sciences to Leadership Skills, Technology, Business & Entrepreneurship and Robotics! For more information call 1-888-678-3464 or visit msue.anr.msu.edu *Miigwetch!* to everyone who participated.
