8th Indigenous Peoples Art market

October 1-3, 2010
Soaring Eagle Casino & Resort
Mt. Pleasant, Michigan

The Ziibiwing Center of Anishinabe Culture & Lifeways presents the 8th Indigenous Peoples Art Market in Mt. Pleasant, Michigan. We are truly excited about this year's show! We have read many of your recommendations over the years, and from those we have strived to improve this event every time. We hope this will be our most successful event to date. This year we welcome returning Exclusive Sponsor, Charles Schwab & Co., Inc., a leading provider of financial services for individual investors.

This year's Art Market will take place at the Soaring Eagle Casino & Resort's Entertainment Hall (located just North of the Ziibiwing Center).

The Art Market will include a V.I.P. Preview and Silent Auction, with all proceeds going back to the Ziibiwing Center's 2011 Artist-in-Residence Mentoring Program.* The juried art show with over \$16,000 in prize money, Art Market, demonstrations, music & dance exhibitions, and much more are sure to attract many visitors. The Art Market is free and open to the public.

* The Artist-in-Residence Mentoring Program was created as a complementary program to the Indigenous Peoples Art Market to provide Woodland Indian Art education, technique, tools, and cultural instruction to the next generation. The program includes activities for classroom groups and adult workshops at the Ziibiwing Center. All registered Art Market participants are eligible to apply for this select group (four positions) of paid artisans to teach week-long workshops promoting Anishinabe art and traditional teachings. The Artist-in-Residence Mentoring Program is held on alternate years of the Indigenous Peoples Art Market.

Please note that your booth fee will be considered a tax-deductible gift membership to the Ziibiwing Center.

"It is an honor to be part of the Ziibiwing Center's Art Market. This is my fourth year of attending as an artist. I look forward to meeting the staff that works so hard to make the show possible for us. 2008 was successfully held in the casino which I thought was the best show ever. It was very well organized. I can hardly wait for October when I will meet my fellow artists again."
