

NIMKEE CLINIC IS GOING EPIC!

On October 1, 2025,

Nimkee Clinic is upgrading to a new electronic medical record (EMR) system called Epic.

- ▶ This new system will improve how we manage your health information, making your care more seamless and connected.
- ▶ It will also make it easier to access your appointments and health information.

Sign up for the Patient Portal!

With Epic, every patient will have the option to sign up for the Patient Portal.

This secure online tool allows you to:

- ▶ View your medical records
- ▶ See test results
- ▶ Communicate with your care team
- ▶ Request appointments
- ▶ Manage your prescriptions

Ask a staff member how you can sign up for the Patient Portal today!

What to Expect

During this transition, we ask for your patience.

Our staff is working hard to learn the new system to provide you with the best care possible.

Wait Times:

- You may experience slightly longer wait times for appointments and at the pharmacy. We are doing everything we can to minimize these delays.
- We appreciate your understanding as we navigate this exciting change.

Communication:

- Our team will communicate with you regularly about any changes or updates related to the new system.
- Please feel free to ask our staff any questions you have about the transition.

Your Health Information:

- All of your current health records will be safely and securely moved to the new Epic system.
- Your care team will continue to have access to your complete medical history.

Results:

- You may experience a slight delay in receiving lab results or other test results during the initial transition period.
- Once the new system is fully operational, you'll be able to view your results faster than ever.
