NOVEMBER HEALTH AWARENESS

KEY OBSERVANCES

Throughout November, we can recognize several important health and human services observances, including:

National Diabetes Month
SDPI, diabetes screening, education, glucose management, eye, kidney and foot health

Prematurity Awareness Month
Maternal health, prenatal care, infant health, and family support

COPD Awareness Month
Lung health, smoking cessation, respiratory screening, and prevention

Lung Cancer Awareness Month
Tobacco prevention, screening eligibility, and early detection

National Family Caregivers Month
Supporting caregivers, Elders, respite resources, and family well-being

November is National Diabetes Month

Native American Heritage Month
Tribal culture, traditional knowledge, cultural identity, and holistic wellness

National Hospice and Palliative Care Month
Comfort, dignity, symptom management, and family-centered care

National Alzheimer's Disease Awareness Month
Memory health, dementia awareness, caregiver education, and early evaluation

National Adoption Month
Child welfare, permanency, family stability, and culturally responsive support
