

THREE FIRES MIDEWIWIN LODGE  
BAWDWAYWIDUN BANAISE GRAND CHIEF

# BIBOON CEREMONIES

## FEBRUARY 18-22, 2015

"You are entering a land where Mother Earth is purified every year by deep snows. Even the big lakes and rivers in this land become frozen in Mother Earth's cycle. This is the home of the Bear Power. The Bear Power is the guardian of many secrets of how many diseases can be cured. There will be times when colored lights will come to the northern sky. They are called Wa-wa-sayg! (the Northern Lights). They come out to dance when the Bear Power is in its highest strength."

— The Mishomis Book, Voice of the Ojibway by Edward Benton-Banai
