

I am the new Admissions & Residential Services Specialist. If you have any questions or concerns you can reach me at (989) 775-4532 or JePigeon@sagchip.org

Aanii,

My name is Jessica White Pigeon and my Ojibwe name is Waaboos Kwe, which means Rabbit Woman. I am a direct descendant of Saginaw Chippewa Indian Tribe and a member of Grand Traverse Band of Ottawa and Chippewa Indians. I was raised in both communities and I raise my own children here in Mount Pleasant. I have studied graphic design and enjoy beadwork, oil painting, and sewing. Although my college courses were more art centered, my work experience has been in admin related fields. I look forward to assisting residents and future residents by serving our community to the best of my ability. If you have any questions, please don't hesitate to reach out to me.
