Good Evening,

We would like our SCIT Membership & valued employees to understand that we are aware of the Executive Orders and the Office of Management & Budget Memo that have been released this week. We are currently working with our internal departments and federal partners to understand the impacts that each of these may have within our community. We will continue to advocate for essential services, tribal members & employees. As we gather further information and guidance, we will be sure to provide updates as they become available.

Chi Miigwetch,
