Dear Nimkee Patients,

I have some bittersweet news to share with all of our patients here at Nimkee Memorial Wellness Center. This letter is my formal confirmation that I will be retiring from my position with the Saginaw Chippewa Indian Tribe at Nimkee Memorial Wellness Center Medical Clinic. My retirement will be effective August 28, 2026.

It has truly been my pleasure to work at Nimkee for the last 34 years. The growth in size and services provided at Nimkee in that time have been an asset to the SCIT community, and I appreciate having been a part of that growth.

Although I will miss our staff and patients, it is time to move on to the next phase of my life with August 28th being my last day here.

As always, our entire staff is here to serve the needs of our community. If you have any questions, please feel free to reach out to the clinic at any time. We appreciate your understanding and patience as we strive to provide the best service and care to our patients.

Sincerely,

Deborah Eisenmann M.D.
